

LIVE COURAGEOUSLY

the **Year** of **Living Courageously**

A WORKSHOP FOR MEN

Achieving great things is not for the faint at heart

Every man daily faces three threats to achieving his goals. Yet most of us avoid these threats rather than face them head-on. The *Year of Living Courageously* workshop is exclusively for men who want to engage in courageous goal setting from a uniquely Biblical perspective. The cost is \$25 and includes breakfast. Register online at www.LiveCourageously.com.
