**Bethel University • St. Paul, MN**

BoldPath Life Strategies and Bethel University invite you to attend the eighth annual Minnesota Leading Men Summit.

### Summit Description:

Never before has there been a more critical time to invest in the lives of men. A troubling economy along with eroding cultural standards for truth and worldly models of manhood conspire to leave many men vacant and disengaged with God. Yet the church is uniquely poised for such a time as this. "Grow Your Men, Grow Your Church" is a strategic action plan for re-engaging the men of your church. More than 1,000 pastors, men's ministry directors, and church leaders have directly benefited from these strategies.

- Why is it so difficult to create and sustain ministry to men?
- What does a successful ministry to build up men look like?
- How do I discern whether what's worked for others will work in our church?

### Speaker:
